It's the Season of Giving at ALG

Annie L. Gaetz School has a tradition of giving to our community during the Christmas Season. This year our Giving Tree will be in support of the **Ronald McDonald House and the SPCA**. The Giving Tree will be displayed from December 7 - 20th. During this time, we invite families to pick an ornament from the tree. This ornament will have the name of supplies greatly needed by these agencies. As well, each year we support the Christmas Bureau. Donation for the Christmas Bureau can be dropped in the box by the Giving Tree.

BOTH THE GIVING TREE AND THE CHRISTMAS BUREAU gifts are UNWRAPPED.

As well, to assist the Red Deer Food Bank with their Christmas season, we would ask families to please bring a food bank donation to the Christmas Concert on December 12. Please watch the website in the coming week for the wish list needed by the Food Bank.

Thank you in advance ALG! You have always been a very generous school community!

We are proud partners with
The Red Deer Rebels
