Finn & Fae make their Caramel in house with their famous recipe! The regular Caramel contains dairy, but it does not contain gluten. They wholesale all our toppings and cannot guarantee that those toppings have not come in contact with gluten and/or nuts. If you have a severe allergy we recommend that you choose a plain caramel apple to ensure there has been no cross contamination.

If a flavour becomes unavailable due to manufacturer changes ALG Parent Council will reach out immediately.  
Apples are good for approximately 2 weeks.
