Parent PowerSchool Guide

A link to our Parent PowerSchool site may be found at the top of each of our RDPSD school websites. The link may also be found by typing the address into the search bar of your internet browser; powerschool.rdpsd.ab.ca/public/home.html

Both of these methods will take you to our Student and Parent Sign In page. If you have forgotten your username or password, click on the "Forgot Username or Password" link at the bottom. You may also call your child's school if you need help.

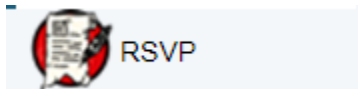

Once logged in, you will begin on the **Grades and Attendance** page with a navigation bar down the left-hand side. If your child is in middle school or high school, you may click on the blue grades to see a detailed breakdown of your child's current achievement.
